

MSCS Ad Hoc Facilities Committee Members June 24, 2025

This ad hoc committee is designed to bring together diverse perspectives and expertise to develop a comprehensive facilities plan for Memphis-Shelby County Schools. The proposed members represent key areas vital to the success of such an initiative, including:

- **Governance & Policy:** School Board, State, City, and County elected officials.
- **Planning & Development:** Experts in urban planning, housing, and community development.
- **Community & Advocacy:** Parent and student representatives, community development leaders, and faith-based organizations.
- **Business & Healthcare:** Leaders from the local business and healthcare sectors.
- **Education & Arts:** Representatives from charter schools and the arts community.
- **Sustainability:** Expertise in environmental initiatives and sustainable practices for schools.
- **Real Estate & Development:** Professionals with commercial real estate, legal, and development backgrounds.
- **Philanthropy:** Representatives from local philanthropic organizations.
